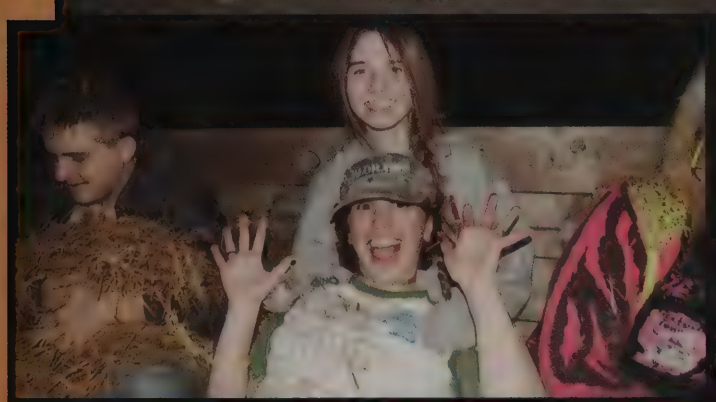
The Night of International Relations...

For the past several years the Japanese club, the French club, and the German club have come together one fall night to celebrate cultural differences and to form a unity to promote peace! These clubs gather at the Bendix Woods and enjoy many engaging times! Throughout the night the members of these clubs can roast hot dogs and marshmallows over an campfire, play games in the open field, and finally end with a nighttime hayride! It is a great time that everyone can show their true spirit! Now if peace is that easy which country's leader should we invite over for some fall festivities first?

Left: Mr. Schreiber hangs out with the students during the bon fire. Right two students are all smiles during the hayride. Below Rhi Freel and others wait patiently for their hot dogs and mallows to be finished.

Left: Mazerick Downer, Faith Neese, and Grace Denney show that they are having a ball on the hay ride. Right: Everyone is enjoying themselves so much that the aura of happiness has entwined themselves around many of the members.

Below: The students from the many clubs come together to pose for a candid in front of the busses. The students pose on the hayride to show how much they are enjoying the evening. It looks like something fishy was going on in the pictures....Oh wait there was! A hay fight started and it looks like Sensei was the object of everyone's affection! It doesn't matter nothing could ever dampen that woman's sunshine!



Ashlee Parks show that hay and fall fun brings out her silly side.

Top Right: Taylor Bradley as Anne Frank, is saying goodbye to the blind girls, before she goes to work for the Kellers.

Middle Left: Anne Frank has her first rough encounter with Helen Keller(Anna Spalding) when she hits her and knocks out her tooth.

Middle Right: The Kellers are discussing the possibilities for Helen to have treatments for her blindness and deafness.

The Golden Goose is a timeless tale that sends the message that a good heart will pave the way to happiness. The story is about a young man who is perpetually bullied by his brothers and feels that he won't become anything. He wanders upon an old woman in the woods and she gives him the special present...the golden goose! As the story goes on anyone who touches the goose or someone who is touching the goose gets attached! The line progresses to the castle where the princess who never laughs starts to laugh hysterically, allowing the boy to marry the princess and live happily ever after.

Bethlehem stars shine

Vespers has been a long honored tradition at Mishawaka High School, in fact this year marked it's 75th appearance. It is a program that brings the choirs run by Mrs. Wilson, the orchestras run by Mr. Keranen and Mrs. Iwaniec, the bands run by Mr. Gamble and Mr. Budzinski together with beautiful nativity scene still pictures that are coordinated by Ms. Kitkowski, Mrs. Neises, Mrs. Kuhmichel, Mr.Schreiber, and Mrs. Smith.

Ashley Johnson, Ashlee Parks, & Kelly Campbell get ready to act as old fashioned carolers

The program takes a lot of work to coordinate but it always turns out amazingly stunning for the audience! More importantly it always turns out to be a lot of fun for the performers!

April Fisher, Kaitlin McPike, & Ariel Schneider look very angelic before going onto stage. Below Ms. Kitkowski tries to organize everything for the next scene and yes she is dressed again ready to go onto stage to fill in if needed.

Ms. Martin, her boyfriend, Kelly Loughlin, Maverick Downer, & Andrea Barbour take a break to have some laughs. All but Maz were involved in the props for the scenes

Donovan Barnhart, Tony Riddle, Joe Nemeth, & Cody Burks make light of the waiting that they have to do before their scenes.

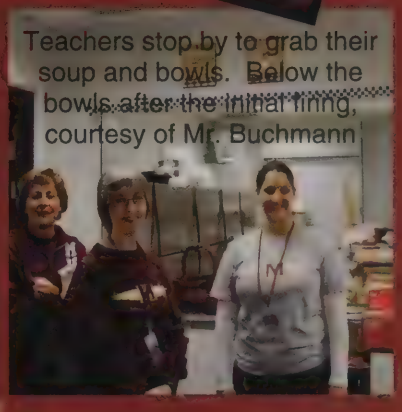
Courtney Kalka and David Truette take a moment to act silly between scenes.

Ariane Eddy works to get the cans stacked together for the store

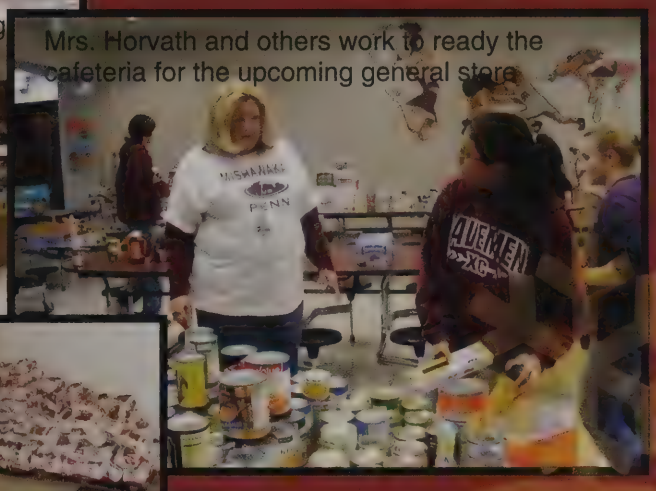
Mr. Mann with Rhi Freel, Ashley Johnson, Ashlee Parks, & April Fisher

Mrs. Crimmins and her classes worked to make the "SOUPER BOWl". This is where you could order a bowl and fill it with soup to raise money for the food drive.

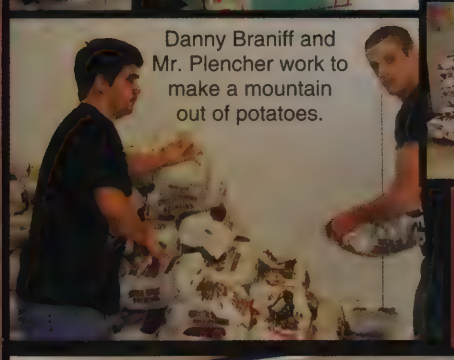
Teachers stop by to grab their soup and bowls. Below the bowls after the initial tining, courtesy of Mr. Buchmann



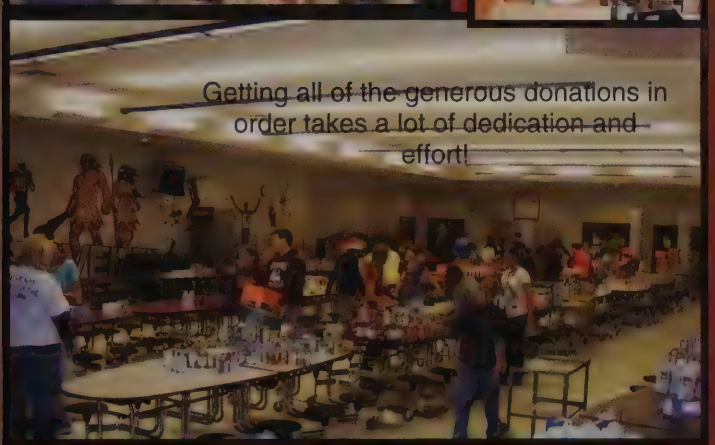
Cotrez Lee & Cody Burks lend a helping hand



Mrs. Horvath and others work to ready the cafeteria for the upcoming general store



Danny Braniff and Mr. Plencher work to make a mountain out of potatoes.



Getting all of the generous donations in order takes a lot of dedication and effort!

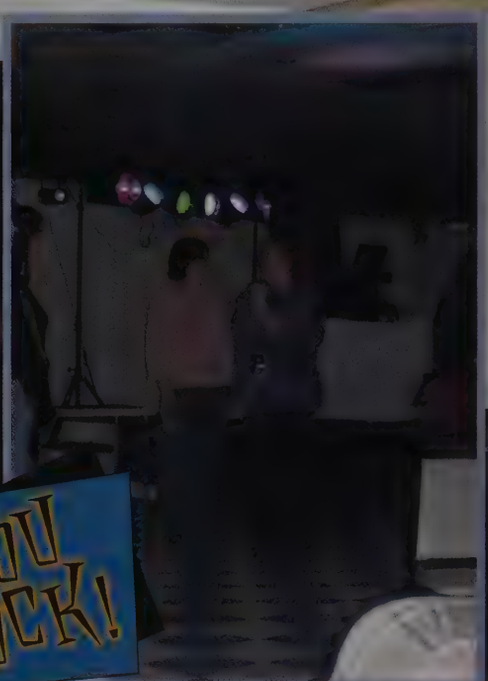
The food drive is such a wonderful sense of humanity that helps so many less fortunate people in our local community. It has been a pet project of none other than father Christmas himself, Mr. Manuszak and it take a lot of organization and dedication to make everything come together. Donations come in to each classroom and then they make it to the general store where families can come in to shop for what they need.

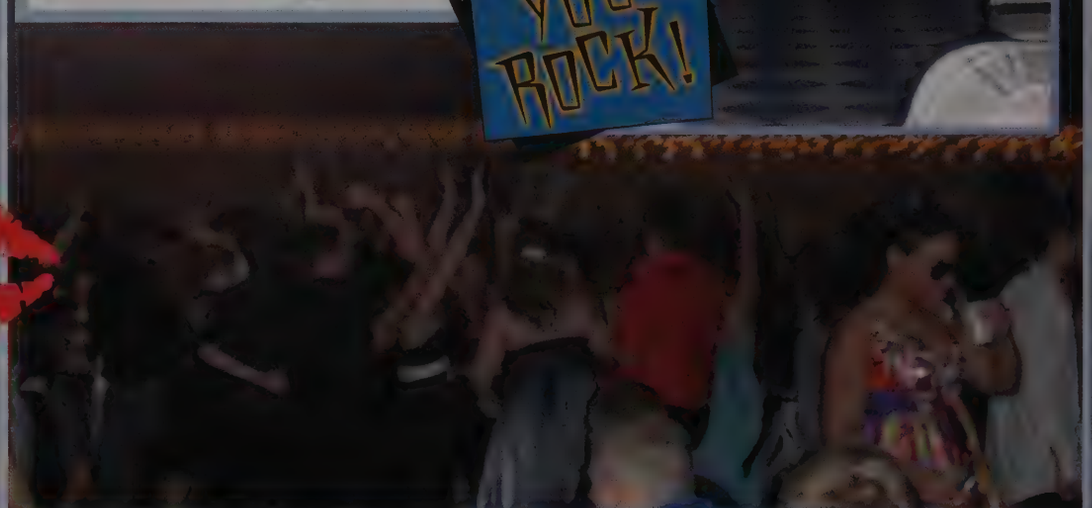
Without the help of Mrs Crimmins, Mr. Buchmann, Mr. Breske, and many others the food drive went off without a hitch and many people were able to have happy holidays where they might not have been able to.

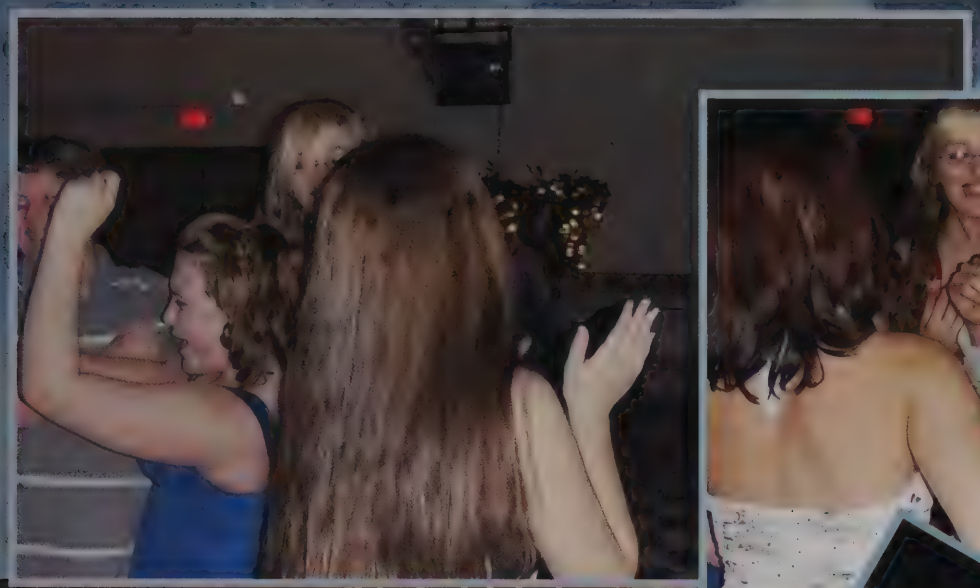
to help spread some holiday cheer.

Winter Formal

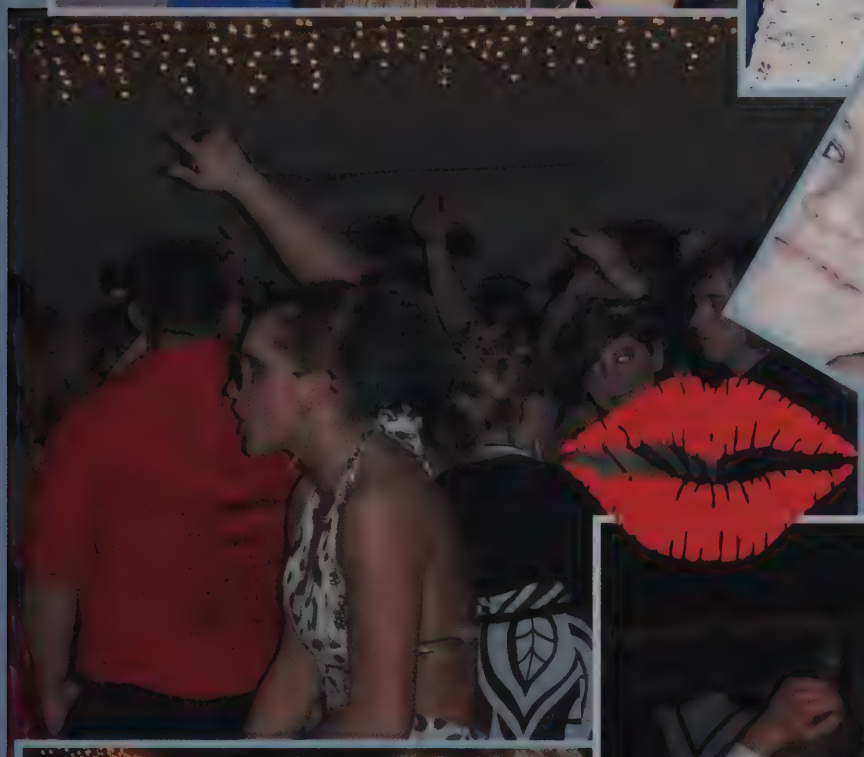
Lindsey Hill takes a breather to rest after dancing with the rest of the crowd.

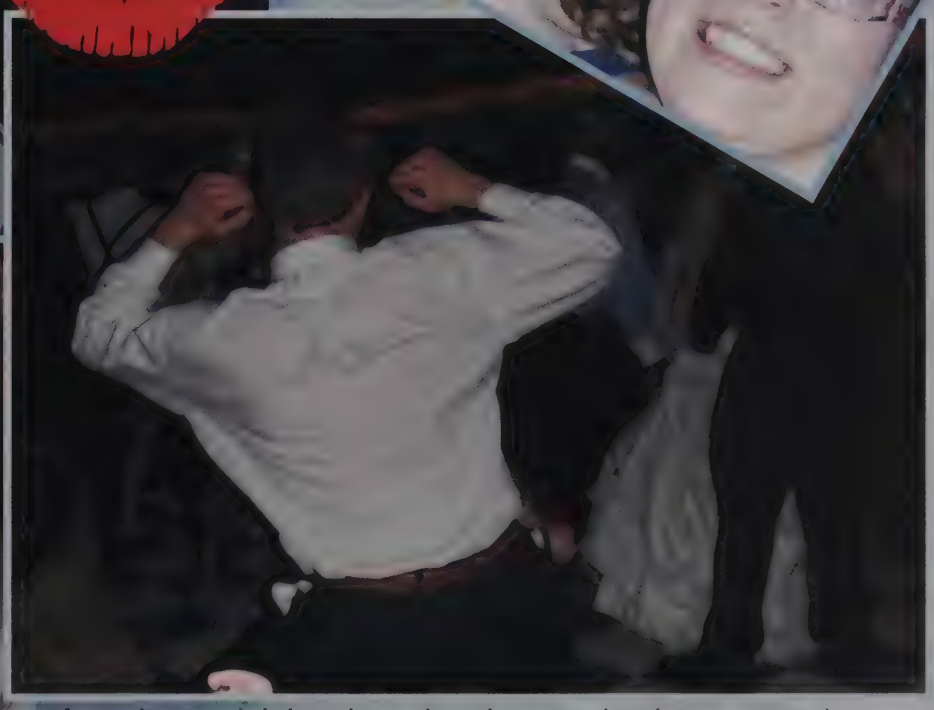






YOU ROCK!

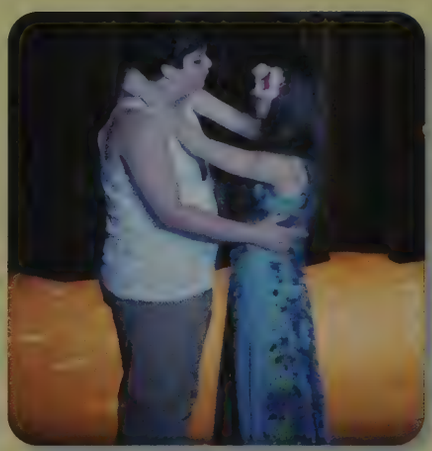


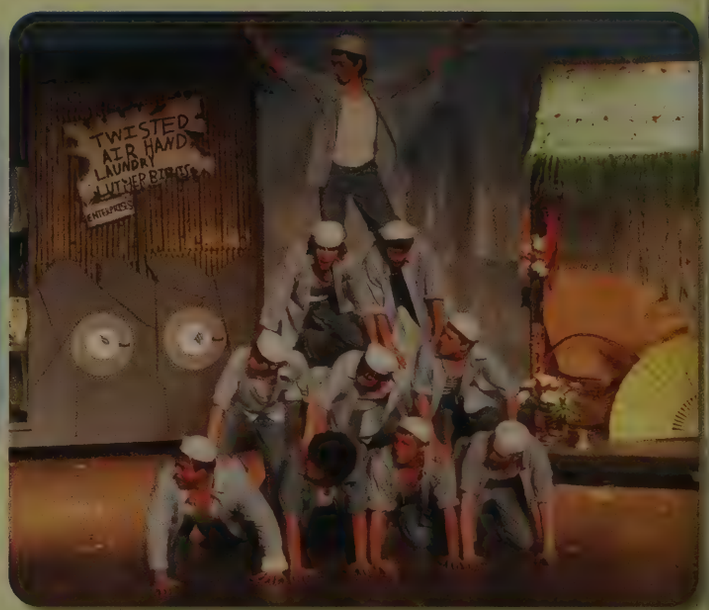


Amy Joe and John show that they are having a great time but it would not have been as fun without the other person. April Fisher and Mae Fish snap a pose for the camera. Everyone was just so into dancing the night away that it was difficult to steel anyone away for a quick picture!

South Pacific

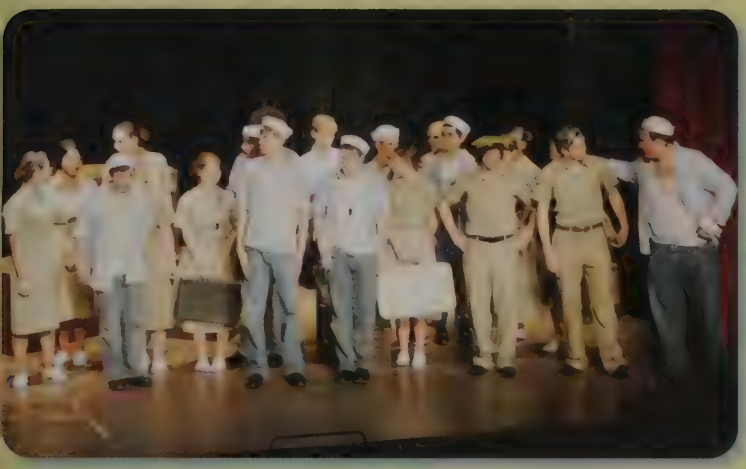
About the Classic: South Pacific originally was written in 1949 by Oscar Hammerstein with music by Richard Rodgers. The Cavemen cast did an amazing job reenacting it.



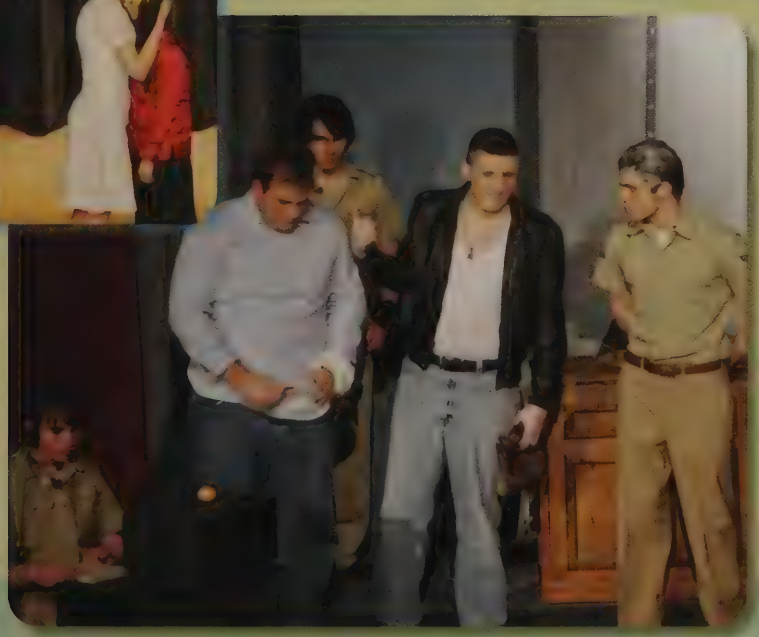


The Sold Out Show...

Page by Ashlee Parks



South Pacific is an enchanting love affair that proves for all the hopeless romantics out there that love can overcome anything. Set in the South Pacific during WWII it is the story of a war nurse named Nellie and a wealthy plantation owner named Emile. Throughout the story they overcome the tragedy of war (in losing of loved ones), their predispositioned prejudices, and the desperate need to see love fulfilled.



Student Council

Throughout the year student council worked to get more student involvement! Above are pictures from the annual corn hole tournament! Students formed their own teams and then came up with the most unique uniform concoction. It was fun for players and spectators alike!

VOLLEYBALL

Members of the Mishawaka Volleyball team a ready to show just how much they "dig" the tournament

Between matches everyone just hung out with their friends

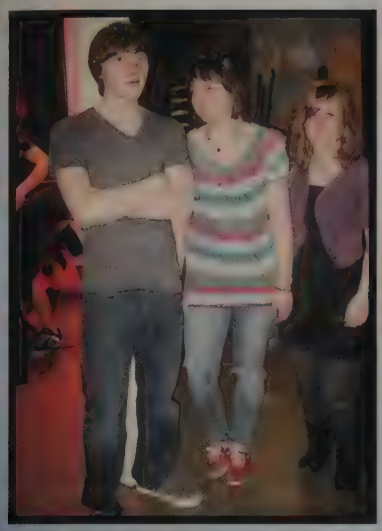
One of the other events that student council sponsored was a volleyball tournament. Above Drew Childress, Christian Lentz, Megan Yost, Dana Lovin, & Conner Egyhazi want the competition to know just how tough they think they are

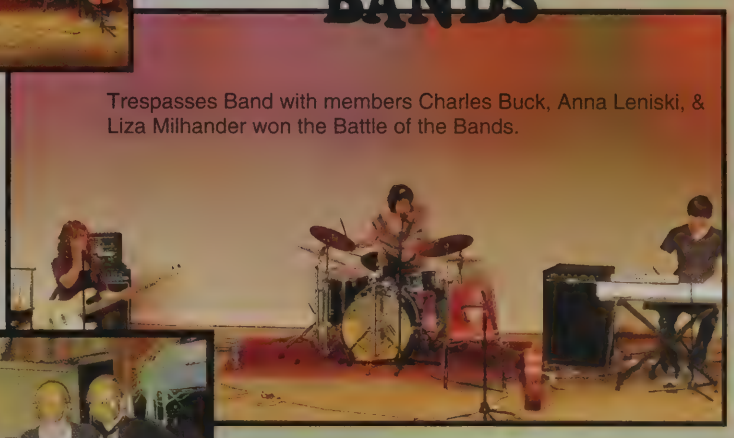
Al White, Nick Schrader, Tyler Reinoehl, Ben Simons, & Matt Guerra are ready to serve up [illegible] six packs in state champ suits!

The volleyball champs: Mr. Hummer, Kristy Amador, Katie Zeiger, & Mrs. Troyer.

BATTLE OF THE BANDS

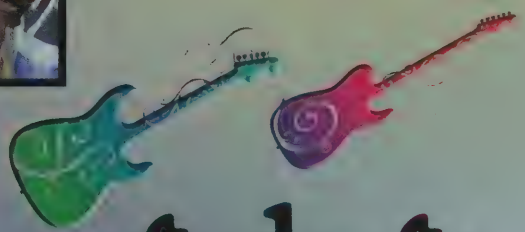


Brandon Harper won the Air Jam with his Michael Jackson



Trespasses Band with members Charles Buck, Anna Leniski, & Liza Milhander won the Battle of the Bands.

Another fun event was the battle of the bands and air jam competition. The two competitions were combined into one large event that rocked the house!



AIRJAM really turns students into Stars....

Some of the performers gather for a snap photo. Above the trophies that were to be awarded. Mr. Smith moonlights in between acts. Mr Breske the emcee keeps the show going without any glitches! Left: Student council members help to sell tickets and handle all the money

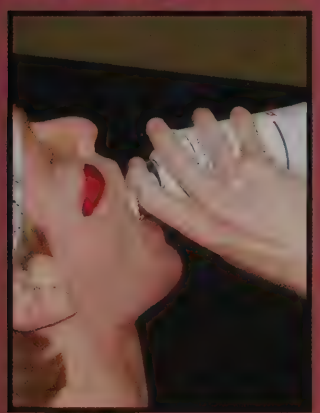
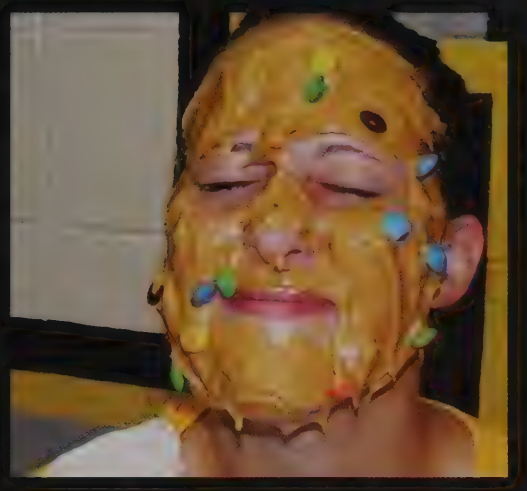
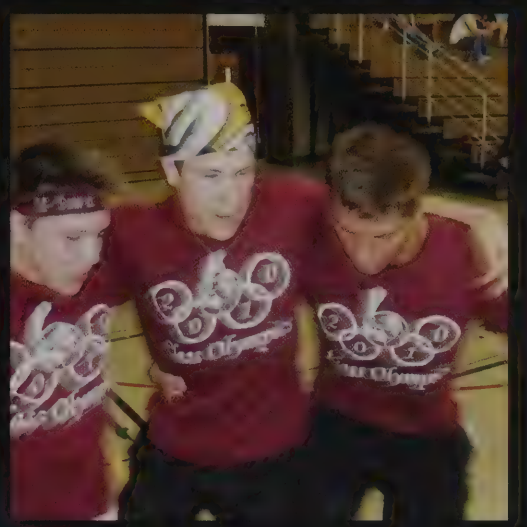
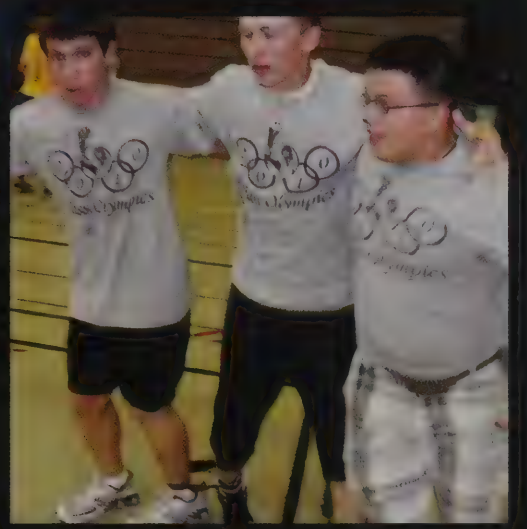
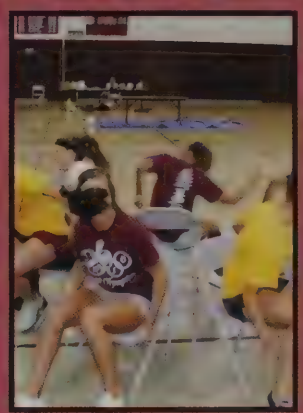
Class Olympics brings together all classes and a variety of fun filled competitive activities! Some of the activities include dodge ball, three point shot, toilet paper race, some sort of gross eating contest, m&m pick up with peanut butter, three legged race, & musical chairs











Olympics

Football... is an incredible game. Sometimes it's so incredible, it's unbelievable! Tom Landry

During his time at Mishawaka, Coach Curtis managed to do something that many NIC coaches have struggled to do....beat Penn. With Curts's wishbone offense the boys in maroon managed to do it not once but twice (ending Penn's 153 game, 24 year conference winning streak) and became sectional champs for the first time in more than a decade. The first win against Penn ended in the "white out" of the crowd rushing the field! It is surprising that the goal posts were still standing! The second victory was much closer and harder battle to fight but none the less the Cavemen prevailed making them sectional champs. The Cavemen lost a hard fought game against Merriville ending their season! Regardless, the Cavemen have much to celebrate and be proud of for all of their effort throughout the season! In addition this team has shown that the boys in maroon will not back down and that many interesting things will be in store for all of the schools in the NIC next year! Good job boys on a great season!

Right: Cortez Lee gets the snap and looks down field to find the open man. Matt Vrielynck moves to make the block. Above: Tyler Carrico watches intently to see how the game is going to turn out.

This was taken at the Penn game. The great news was that the Mishawaka boys had nothing to fear! The game ended in a community pleasing win!

The team gathers on the line to prepare for the next play! This year's team forged many lasting bonds that were found both one and off the field!

Sydney Logan and other members of the defense try to stop the runner from Clay from getting any yards on the play!

Swimmers practice year round and at all times of day! The dedication they have to this sport in uncanny! There are many different types of strokes and each swimmer practices all of them but then they find the stoke or stokes that they excel in and that is what they compete in! The Cavemen lady swimmers know what it means to dedicate themselves to their sport. They practice year round, at all hours of the day, & in many different events. This dedication has actually led to many records being broken in the last several years. Kim Schmanski broke the 50 Free record in 2010 with a time of 25.71. She also broke records in the 2008-2009 season in the events of 100 Free (56.17), 100 Back (1.00.36), & was part of the 400 free relay team (3.57).

In addition to Kim breaking the record in the 50 Free she was also part of two relay teams that broke records this year! Kim, Ashlyn Costa, Annalisa Layman, & Madison Grant broke records in the 200 medley relay (2.00.001) & in the 200 free relay (1.46.19). Great job ladies.Also if you want an interesting story ask about the doggie paddle.

"More enduringly than any other sport, wrestling teaches self-control and pride. Some have wrestled without great skill - none have wrestled without pride."

THE CAVEMEN WRESTLERS HAVE DONE IT AGAIN! After last year's devastating first round defeat, Coach Snyder was constantly reminding his team what that felt like before they boarded the bus on February 27 to head down to Greenwood. Even though they went through an undefeated season with a lot of personal injuries to make it to this point they knew their battle was not over!

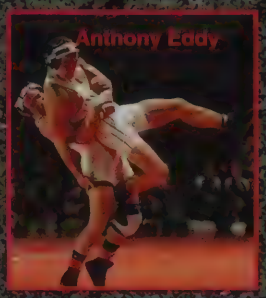
Team State Highlights



After dispatching No.2 Crown Point and No. 4 Perry Meridian in the prelims, the No.1 ranked Cavemen faced possibly the only team in the state that could match up with them in the finale. The championship match stayed close through the first seven weight classes with Yorktown leading 11-7 after five bouts, even with Paul Beck's (112) major decision 11-1 and Layten Binion's decision 6-2 at 119 (huge upset by the way). Then Matt Guerra (135) scored a 5-4 decision (had a team point taken away for dancing), Anthony Eddy (140) finished his opponent 7-1, & Darius Marshall (145) had a decision 6-3 over his opponent! Then Ryan Stahl broke the contest by pinning his opponent (5:44). Ryan said that he was on cloud nine...Suffering from a back injury he thought the match was already done. But when he was out there he didn't think about the pain just getting the 6 points for his team. Next came the man who gave his ultimate sacrifice for his team...Al White. Suffering from a series of injuries he decided to forfeit his chances of placing at the individual championships in order to rest and be able to help his team...which he did 13-10 major decision. Richard Morin's win 5-1 was helping to spread the distance for Mishawaka. Danny Abu-shehab's fall in 2:31 just 30 minutes after he watched his grandfather collapse in the bleachers and have to be taken to the hospital- sealed the victory on the mats at Center Grove High School. Christian Lentz ended with a major decision 14-1. The season finished perfectly with the Cavemen storming their crown by an average of 24 points per match against the state's best competition.

"Honestly, if we wrestled Mishawaka 10 times, I don't know if we would win any of them," said Yorktown coach Trent McCormick. "I'm proud of the way our kids wrestled, but

MISHAWAKA IS JUST AT A DIFFERENT LEVEL."

Didn't know there was a bowling team? Well since the team never practices at tea high school it is easy to see why they would be not known. The team practices everyday for several hours a day at their home field Regal Lanes. The pictures shows everyone at the lanes.

English Department

The English Department works year round to get students to read different works of literature, write properly, and maybe develop a love for reading and writing. The teachers depicted here are showing some of their skills that they must utilize in order to reach today's students about how serious it is to have the ability to read and write proficiently!

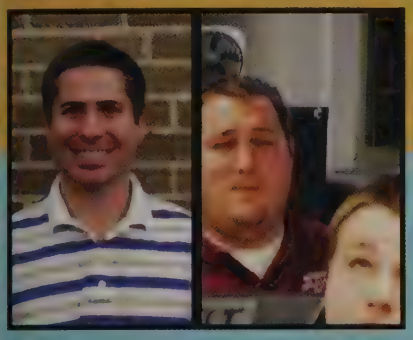
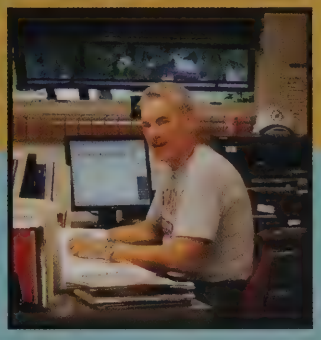
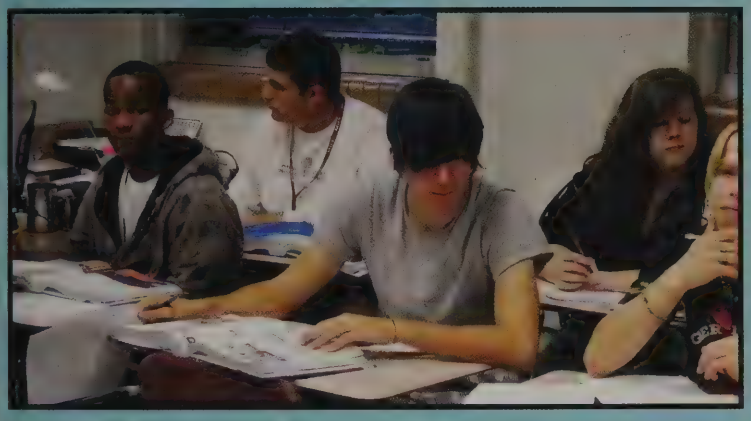
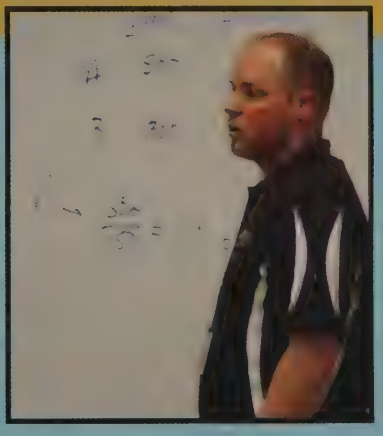
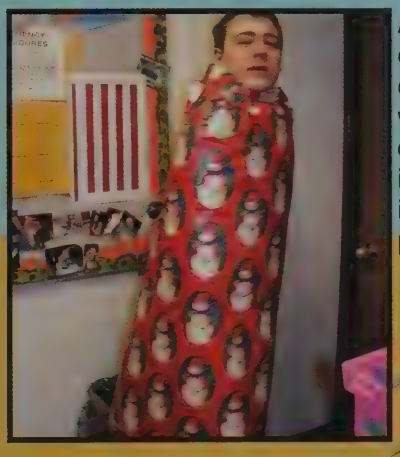
The teachers of the social studies department do their best to educate students in the ways of the world. Besides current events, this crew spends there time making sure that government, economics, history, and world geography are covered to the best of their ability in a manner that will hopefully keep the students engaged!











Above: Mr. Reese lectures on some important economic principles and watch while they master the concepts. Left: Maz Downer is an active member of a skit in Miss K's class as a present!

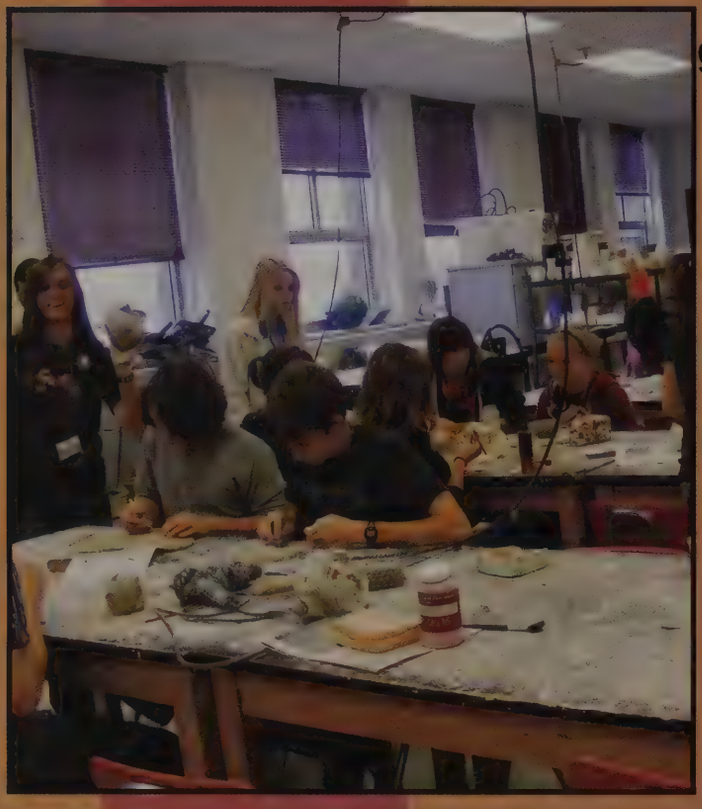
Art Department

Every year students pour into one of many art classes. Mrs. Kuhmichel, Mrs. Nieses, and Mr. Buchmann work to inspire students in a variety of subjects such as painting, drawing, fiber arts, photography, and ceramics! To these teachers art is a whole new world and they try to get students to feel that they have reached this point about themselves and their art... "**At moments of great enthusiasm it seems to me that no one in the world has ever made something this beautiful and important."... M.C. Escher**



Students work diligently to complete their art projects! As you can see creativity is a messy process

Courtney Balentine, Kelsey Vervynckt, Dana Lovin, & Taylor McQuade show their excitement for creating valuable pieces of art.

EVERY CAVEMAN IS A CHAMPION

Paul,
As one chapter of your life is about to close and many more are about to open. We want to say how proud of you we are. What a fine young man you have become. Just remember to never stop dreaming & reach for the stars! We know you can do anything you put your mind to. Lots of love & happiness. May God guide you on your journey today and always.

The *past* is merely history--
full of memories...
Treasure the good;
learn from the bad.
The *present* is a gift--
given by God...
Make the most of it;
savor every blessing.
The *future* is what you make it--
the result of your efforts...
Set goals high; make choices carefully;
and live life to the fullest.
Sammy, you've grown into an amazing young man--an individual with a beautiful soul and a future full of boundless opportunities. Always remember who you are.

You have had to overcome numerous obstacles and challenges during your four years at Mishawaka High School. You have met adversity with strength of character and tenacity. You are a fighter and will not allow anything to prevent you from accomplishing your dreams.

I am so proud of the young woman you have become. Your creative talents, in art and music have never failed to amaze me. Your accomplishments in academics are a testament to the hard work and persistence you have applied in reaching your goals.

I know you will go on to do great things. Dream big. Share your great sense of humor, talents, loyalty, and compassion with others. Remember to always be true to yourself; believe in yourself and good things will follow.

Most of all sweetie, be happy and experience all the wonderful things that life has to offer. Remember, I am your 'biggest fan' and you will always have my support.

I love you so much Snookie,

Mom

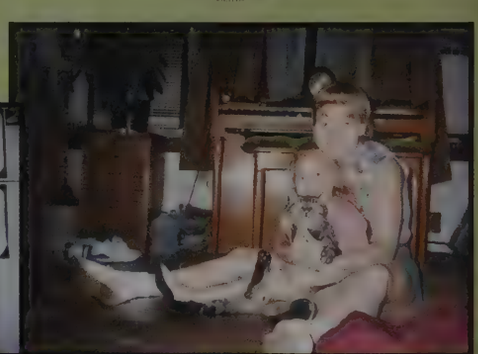
Crystal, My Miracle,

From pigtails and your first pony, Star, to Equestrian College and your horse, Dusty, everything you have put your heart into has become something wonderful.

Your first love was horses, and I know that you are going to go out there and become the woman God has created you to be: A strong woman, an amazing horse trainer, and an extraordinary person.

It's your turn - I am so very proud of you. I love you more than anything! You are a Masterpiece!

Love,
Your Mom



Mija-

Kaley as a child you brought so much joy and happiness to your mother and I. As a young lady you continue to make us very proud to be your Parents. God has blessed you in so many ways; remember to share these with all who you come to know in life. Remember who you are and where you come from and never forget those who love you the most. We will always be here for you.

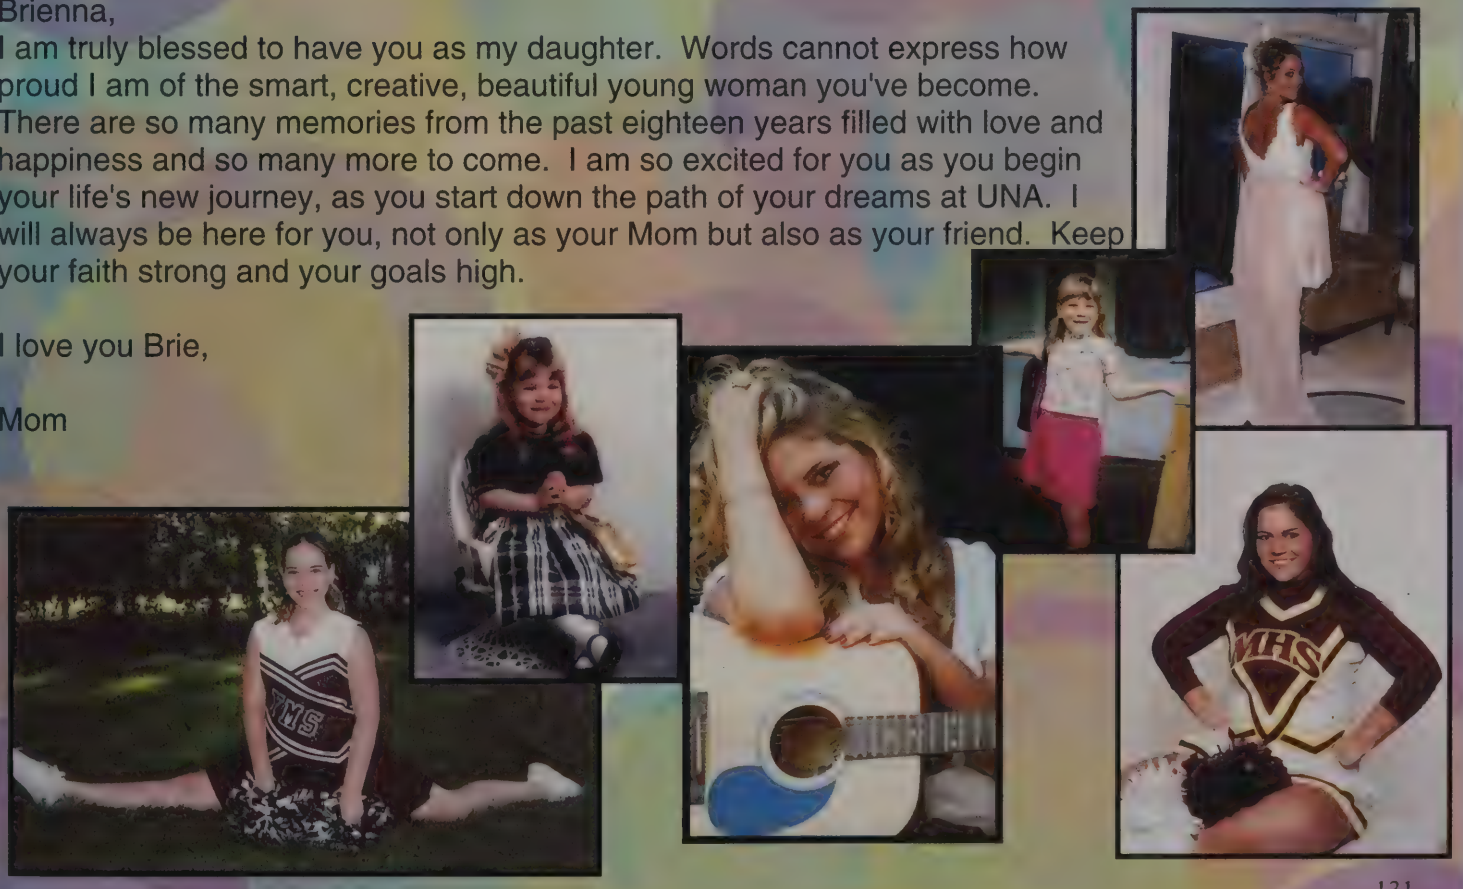
As we cherish your childhood memories, we think back and wonder where time has gone. A new journey awaits you when you start college and a new chapter in your life. Good luck in your new endeavors (Set your goal high and you will be rewarded).

Love You Always
Mom, Dad, Alek, and Erik

Brienna,
I am truly blessed to have you as my daughter. Words cannot express how proud I am of the smart, creative, beautiful young woman you've become. There are so many memories from the past eighteen years filled with love and happiness and so many more to come. I am so excited for you as you begin your life's new journey, as you start down the path of your dreams at UNA. I will always be here for you, not only as your Mom but also as your friend. Keep your faith strong and your goals high.

I love you Brie,

Mom



Our Precious Sarah,

It seems like just yesterday we held you in our arms for the first time. You were a fighter even before you were born, you were determined to beat all odds, and you continue to fight for things you believe in. We are all blessed to have you and are so very proud of you. You have always had to work harder at all you accomplish but, you do not back down when the going gets tough it just makes you more determined to reach that goal, don't ever let go of that quality. We have enjoyed watching you perform with the poms-dance team these past 4 years. You always gave your heart and soul to it and we are so proud of you being strong and dedicated to the team.

Sarah, your love for children and their education will get you to your final destination. I know you will be a wonderful educator one day. Now go forth and complete your goals, the world is yours no one can stop you if you want it bad enough!

You will always and forever be our Sunshine!

Congratulations on a job well done, we could not be prouder!

We love you very much,
Mom, Dad, and your proud brothers, Josh, Zach, and Noah
